

## **COPYRIGHT POLICY**

### **INTRODUCTION**

Statewide Group Training (SA) Inc is responsible for managing its assets, including its intellectual assets, in a way that maximises their contribution to the goals of the organisation.

Subject to these responsibilities, Statewide Group Training (SA) Inc is committed to the widest possible dissemination of its ideas and findings where these may assist others.

### **PURPOSE**

The purpose of this policy is to clarify the status of material subject to copyright used by the organisation, and to remove any possible misunderstandings about ownership of copyright.

### **POLICY**

#### **Production of copyright material**

At law, material created by employees of Statewide Group Training (SA) Inc in the course of their employment, irrespective of whether it is created using Statewide Group Training (SA) Inc facilities or materials, or during normal working hours, will belong to Statewide Group Training (SA) Inc. What constitutes the course of employment will be determined by the employee's position description and usual duties.

An employee's employment contract may vary the default position of when copyright belongs to Statewide Group Training (SA) Inc. The employment contract overrides the default position that exists at law. Employees may be required to sign additional documents vesting or assigning copyright to Statewide Group Training (SA) Inc where that material was created by the employee using Statewide Group Training (SA) Inc resources and during paid working hours. One example of when this may be necessary is if the employee is required to engage in a project or duties that are outside of their normal employment duties.

If any material was created using Statewide Group Training (SA) Inc resources, or during paid working hours, then the onus is on the employee to demonstrate that it was not created in the course of employment. Employees should be aware that performing unauthorised non-

work tasks during work hours may subject them to disciplinary proceedings. Where any uncertainty exists, staff are encouraged to discuss this with their supervisors.

Works by independent contractors and volunteers shall be owned in accordance with the written contract under which the work was created. Statewide Group Training (SA) Inc shall ensure that there is a written contract for work by an independent contractor or volunteer specifying ownership. At law, unless a written contract specifies otherwise then independent contractors and volunteers will own copyright in everything that they create.

Any dispute between Statewide Group Training (SA) Inc and its staff, contractors or volunteers, or between staff, or between contractors or between volunteers, on issues of copyright ownership shall be determined by the organisation's dispute resolution procedures. Such determination will be subject to the judgement of any court or tribunal.

### **Copyright notice**

Staff and volunteers of Statewide Group Training (SA) Inc should ensure that every publication of Statewide Group Training (SA) Inc, including any books, newsletters, brochures, forms, reports and computer software contains the following statement:

© Statewide Group Training (SA) Inc, Australia, [Year of creation of material]

This statement should not be included in normal business letters, invoices, receipts.

### **Use of copyright material**

Staff and volunteers of Statewide Group Training (SA) Inc are required to observe all applicable copyright laws and regulations.

Staff and volunteers of Statewide Group Training (SA) Inc may use copyright material belonging to or licensed to Statewide Group Training (SA) Inc only for the purposes of their work for Statewide Group Training (SA) Inc. Where the material is used by Statewide Group Training (SA) Inc under licence, staff and volunteers must act in accordance with that licence.

Staff and volunteers of Statewide Group Training (SA) Inc may not reproduce, publish, distribute or adapt third party copyright material in the course of their work for Statewide Group Training (SA) Inc without the authorisation of the copyright owner. Staff and volunteers may not download or reproduce text, photographs or illustrations found on the internet without authorisation of the copyright owner. This includes for use in internal or external newsletters, reports or presentations. All non-generic images and illustration should be sourced from and with the consent of the creator. Generic images may be obtained from a stock image supplier (eg Shutterstock or iStockphoto).

When reproducing or otherwise using third party copyright material, it cannot be assumed that just because something is on the internet that it is free for everybody to copy and use. This includes images on Facebook or photo sharing websites such as Flickr.

Acknowledgement of source of the material does not overcome the need for authorisation; actual authorisation is still required.

The CEO is required to institute procedures that will ensure:

- a) that all uses of third party copyright materials are recorded, and
- b) that all compensable uses of copyright material are appropriately processed.

### **Copyright on Statewide Group Training (SA) Inc materials**

All materials produced by or on behalf of Statewide Group Training (SA) Inc are subject to copyright. Permission to reproduce such materials depends on the category into which they fall.

All materials produced by or on behalf of Statewide Group Training (SA) Inc will be classified by the CEO into one of the following classes:

1. Those materials that are copyright and that cannot be reproduced by any process other than for the purposes of and subject to the provisions of the Copyright Act and any licensing agreement between the user and Statewide Group Training (SA) Inc.
2. Those materials that are copyright and that may nonetheless be circulated and/or reproduced as long as any reproduction features specified credits and disclaimers.
3. Those materials that are copyright and that may nonetheless be reproduced without conditions.
4. Those materials that are not copyright.

The copyright policies of Statewide Group Training (SA) Inc are binding on all staff, whether paid or voluntary. The copyright policies of Statewide Group Training (SA) Inc, as amended from time to time, shall be deemed to be a part of the conditions of employment of every employee and shall be included in the orientation material given to every volunteer.

### **Moral rights**

Where it is reasonable to do so, staff and volunteers of Statewide Group Training (SA) Inc should ensure that:

- a) When reproducing any written material, photograph or illustration, the creator should be acknowledged where it is appropriate to do so. It is generally appropriate to acknowledge the author of a report or article in a newsletter, but it is not appropriate to acknowledge the creator of a marketing brochure or promotional flyer, or where it is desirable for operational reasons that correspondence be sent out in the name of somebody else (such as in the name of a director, executive or manager).
- b) When reproducing any written material, photograph or illustration, a person should not be falsely attributed as the creator unless it is reasonable to do so. For example some correspondence may need to go out in the name of a director, executive or manager even though it was written by somebody else.

## RESPONSIBILITIES

It is the responsibility of the CEO to ensure that:

- Staff, volunteers and contractors are aware of this policy;
